Yes / No *(and I am happy to have my photo taken) / No* *(and I'd rather not be photographed).*

(we like to have photographs of all our members and regular attenders to help newcomers to learn everybody's names).

Affirmation of Membership *(please sign and date below to affirm your membership for 2019)*

If you are already a member of Essex Church, we simply need you to re-confirm your membership each year. Membership does not depend on your financial contribution to the work of the church (though of course we are very grateful for your regular donations which make possible the ongoing work of the congregation). Membership is about affirming your personal commitment to this community and to the Unitarian ethos. Each member is a vital and valued part of this church and its work in the world.

I affirm that I wish to be a member of Kensington Unitarians (Essex Church) in 2019.

If you are new to this community, we ask you to attend for three months before applying to join, so that you can get to know the congregation. New members are formally approved by the committee and personally welcomed by the minister and chair of the congregation at our annual membership service in the summer. If you prefer not to become a member at this time, for whatever reason, but still wish to be on our mailing list, we ask you to sign at the bottom of this page so that we have written permission to hold your data.

Communication Preferences *(please indicate Yes/No in each case)*

I consent for my contact details to be stored securely, on an online database (ChurchSuite), in church office files, and on staff computers, so that staff can contact me about church matters.

Congregational Engagement and Volunteering

Every member of our community – yes, including you! – plays a significant part in helping it to flourish and thrive. One of the most important things you can do is to attend regularly on Sundays and come along to small-group activities. We need all hands on deck to enable us to do our work in the world and fulfil our shared aspirations for this congregation. Each of us has differing gifts, or we may be ready to learn new things, in order to help out at church and give whatever time and energy we can spare. Getting more involved in congregational activities is a great way to connect more deeply with other people too. Why not take a look at the following list and let us know which of the possibilities appeal to you?

	Y	N
I am willing to sign up for regular Sunday volunteering tasks (stewarding / coffee / greeting)		
I would like to help with these regular Sunday tasks but need a buddy to show me the ropes.		

I am interested in giving a reading in a service or small group worship.		
I am willing to help out with maintenance tasks related to the church building.		
I am interested in taking part in focus-group meetings and activities to raise our profile.		
I am willing to help coordinate congregational social events (lunches, cultural outings, walks).		
I am interested in helping to keep in touch with members who are unwell and/or unable to attend.		
I am willing to learn more about how I can help to welcome newcomers into our church community.		
I am interested in joining in with a writing project to better articulate and publicise our Unitarian faith.		

I would be interested in attending a church course (weekday evenings) to reflect on spiritual/religious matters.		
I would be interested in attending a Sunday afternoon workshop at church on spiritual/religious matters.		
I would be interested in attending a day-long Saturday workshop at church on spiritual/religious matters.		
I would be interested in attending local or national Unitarian events to get to know the wider movement.		

I have a great idea about something that would help me to feel more involved at the church (please tell us!):

I have some practical skills that I think could be useful to the work of the congregation (please tell us!):
